**Electricity Switch
Event
2026-02-19**

Inagh
Development

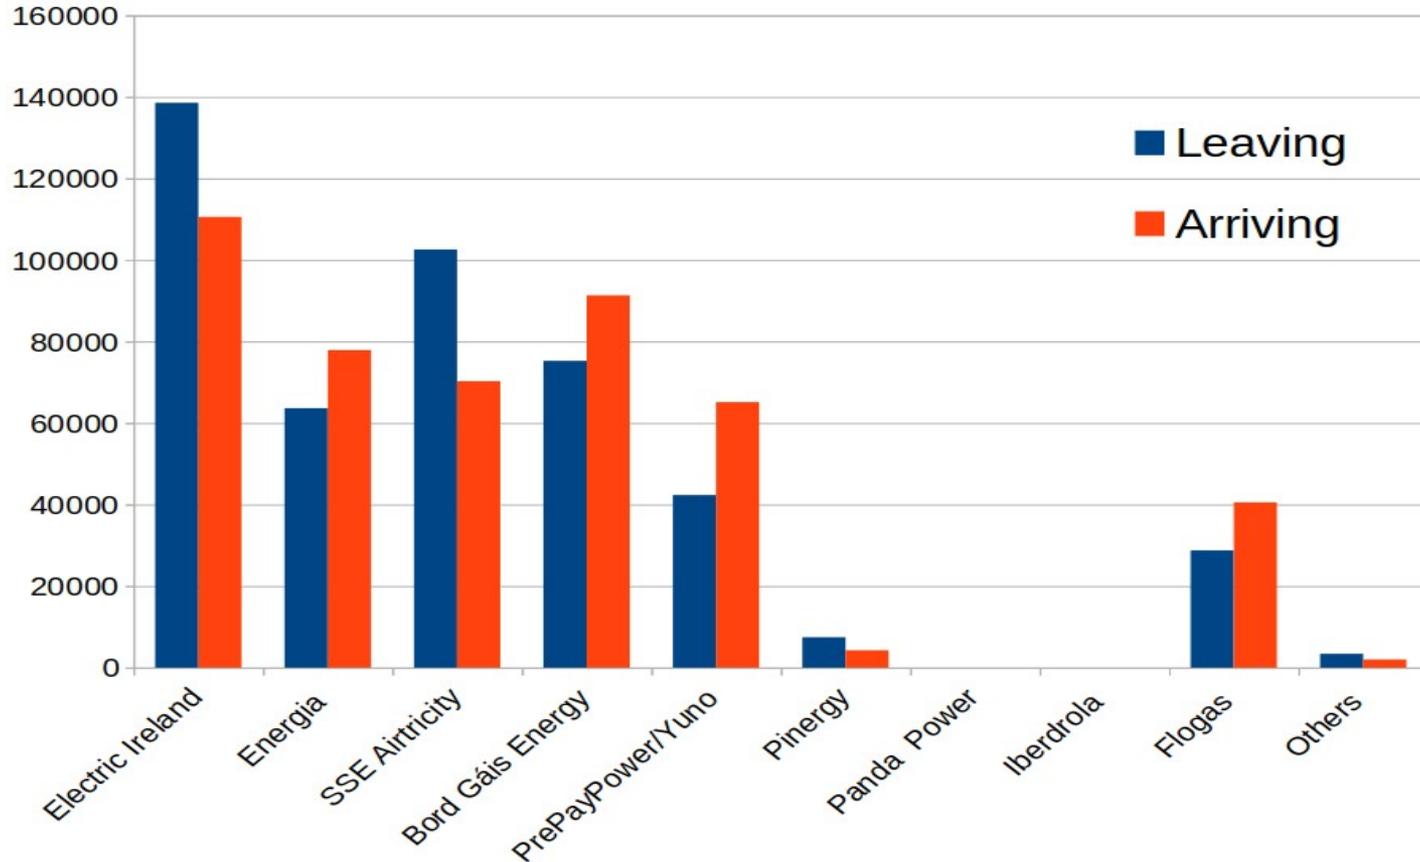

Why are we here ?

- 1) Understand your own usage / bills
- 2) Choose a new electricity supplier
- 3) Make the switch (while drinking tea)
- 4) Save money

Funded by [SEAI](#) as part of the
Energy Master Plan for Inagh

Everyone else is doing it (in 2025)

Understand your own usage

- How much electricity (kWh) do you use each year ?
- What kind of price plan are you on ?
 - 24 hour
 - Day and Night
 - “Smart” tariffs

Compare how much different things use

Choose a new electricity supplier 01

- Simplest way first !
- Use one of the approved switch websites that let you compare AND switch
 - www.bonkers.ie
 - www.switcher.ie
 - www.powertoswitch.ie
- You need three things
 - 1) MPRN (11 digit number from your ESB bill)
 - 2) Current Meter Reading
 - 3) IBAN number for your bank account

Choose a new electricity supplier 02

- The more complex but more exact way
- Signup with [ESB Networks](#)
 - need e-mail and mobile number
- Download the data file that shows your exact usage
- Upload the data file to any of the following websites
 - [www.kilowatt.ie](#)
 - [www.energypal.ie](#)
